

All Spring Semester Private and Buddy lessons have been booked.

Summer semester starts June 3<sup>rd</sup>

We hope to have our availability for private and buddy lessons over the summer out May 13<sup>th</sup> .

Registration for group lessons will also open up May 13th. We should have the schedule for group lessons out May 6<sup>th</sup>

We will likely not have a lot of availability this summer if any. We will be losing about 80% of our staff May 10th.
