Rental Policies

1. Only UNM students, faculty, and staff may rent equipment or purchase merchandise from the OAC. Valid UNM ID required. NM State tax law prohibits us from accepting UNM alumni cards.
2. Payment of any additional rental, cleaning, damage, repair or replacement fees will be conducted internally or via the UNM Bursars office, dependent on the extent of the status of the equipment.
3. It is the renter's responsibility to ensure that all of the equipment is complete and in the condition indicated on the rental contract before the equipment leaves the OAC.
4. The length of rental is determined by counting the number of days following the date of rental to the date of return. Ex: Monday to Tuesday = 1 day. Monday to Wednesday = 2 days. Specialty rates may apply during extended breaks, holidays, and OAC closures.
5. All returned equipment will be inspected immediately upon its return. If the equipment is found to be damaged or incomplete, you will be charged an additional fee. Cleaning fees may also apply to any wet or dirty equipment.
6. The renter will be assessed a late fee of an additional day's fee for each item rented passed the stated return date. Ex: Tent rented @ \$9 per day. Two days late = \$18 late fee. You must return items during regular operating hours to avoid late fees.
7. Reservations are accepted M-F, during regular operating hours. Reservations may be made in person or over the phone. The full rental fee will be forfeited if the reserved equipment is not picked up by the day of the rental without 24-hour prior notification of cancellation. Refunds will be made by university check or applied to the credit card on file. Rental fees must be made in person.
8. No business will be conducted outside normal operating hours. It is the sole responsibility of the renter to be aware of the OAC's hours of operation. Equipment will not be accepted at the Recreational Services Office.
9. All prices, policies, and hours of operation are subject to change without prior notice. Please call the OAC @ 505.277.8182 for more information.
